SUBJECT

## Travelling Allowance to Industrial School Students

Indexed
S. Raghavachar

Submitted

The Students of the Industrial School, Mysore, who appear for Technical Examinations, attend two centres viz Bangalore & Madras Single 3rd class fare for both the journeys in each incurred by the Students is paid to them by Govt. In the Industrial School Budget (printed copy for 1899-1900 put up) there is no separate heading under which allotment is made every year for this item The Comptroller does not say from what provision and under what particular head the Travelling charges in question were being met during the last and preceding years The D Gl may therefore, it is submitted, be asked to open a separate heading "T allowance charges to Students of the School attending public Technical Examinations in the future Budgets. Meanwhile the information asked for by the Comptroller for the current official year, be furnished to the Comptroller and to Govt

— leaves is Rs 89—11—11 2
on the bill, the AGL deems
the leave absent and
the leave claimed viz
Rs 36—15—6, and
allowed only railway
fare viz Rs 52—11—6
He has hence the file passed
for sanction to the bill
amounting to Rs 89—11.
& the office proposes
giving him sanction.
Now I put it to the Hon'ble
that both the recommendation and the
consideration of sanction are wrong
& that the amount
to be sanctioned only
Rs 52—11—6 ?

Either Double III class fare without boarding charges or single 3rd class fare (Rs. 7-8-6 from Mysore to Madras & back) and Rs 5-4-6 for boarding expenses are usually sanctioned

In 1896, only Double III class fare was sanctioned

But In 1897 only Single III class fare and boarding charges were sanctioned (Please see rates given above)

In 1898, also Single III class fare and boarding charges were sanctioned

The amount of Rs 12-13-0 in the present bill against each student is made up of Rs 7-8-6 for Rly fare from Mysore to Madras & back) and Rs 5-4-6 for boarding expenses

Therefore the amount 89-11-0 ~~is sanctioned~~ seems to be correct

If, on the other hand Double III class fare is allowed the amount would (for each student) be 2×7-8-6 = Rs. 15-1-0 (a little higher than the amount claimed in the bill
